

## **GX Check Software Release Notes**

This document contains information, known limitations, and clarifications.

### **1. Emails from GX Check**

- 1.1. Certain email account domains may not receive GX Check emails to their inbox. It is suggested to check the junk or spam folders for emails from GX Check. If GX Check emails are flagged by spam filters, it is suggested to mark them as not spam. If emails from GX Check are still not received, we suggest creating an email account with Gmail.
